## FORWARD

This handbook can be an important tool. Review all of the programs thoroughly to understand the opportunities available. When these programs are used properly, the benefits can minimize outside pressures you may be confronted when released. These resources may assist you in establishing social acceptance, economic security, and your new place as a productive member of society.

This booklet is a tool for incarcerated Veterans and their families who wish access services to support a new and better way of life. Be aware that this guidebook is designed to assist Veterans incarcerated in the State of Texas, and their families. Laws do vary from state to state; therefore, check your state laws and regulations against this guide. The guidebook may found on the internet at <http://www1.va.gov/HOMELESS/Reentry.asp>

Agency staff names and addresses, phone numbers and website addresses change. If you attempt to contact one of the resources in this guidebook and it is not current, do your best to obtain the current information through phone information or an internet search. To perpetuate the value of this document, we respectfully request that if you discover any incorrect, conflicting, or out-of-date information in this Guidebook, please send any discrepancies and updated information to:

## SECTION I

### USING THIS GUIDE AND SEEKING HELP

This guide was developed for you to use 6 months prior to your release and to keep as a reference after your release. It includes addresses, phone numbers, and web sites that you can use to find out about programs and other help available after your release. You may want to ask a friend or family member to help you find the information you need if you do not have phone or internet access. **Keep in mind that this guide does not include all of the services available.** What is available in one area may be different from what is available in another, so be sure to check with local resources to learn about services in your area.

While you are in prison, find out which unit in your facility can help you plan for your release (often the education or transfer unit). Classes may be offered for you can work on skills development and prepare for life after release. **You do not want to risk homelessness once you are released, so take advantage of the opportunities available to you.**

Begin thinking about what specifically you will need upon release. Ask yourself these kinds of questions: Will I need housing? Will I need medical, substance abuse, or mental health care? Do I need to learn a job skill? Do I have any other legal issues, such as child support? How do I restart my VA checks or Supplemental Security Income (SSI)?

Make a list of your needs. Remember that this is just a tool to help you get organized. A sample list might look like this:

- I need a place to live     I need a job
- I need clothing to wear to work
- I need to find out what benefits I can get as a Veteran
- I want to get addictions treatment     I owe child support

Think about your list as you read this guide. Who do you think can help you with each of your needs? Is there one organization that may be able to work with you, on many different things, or do you need to contact several agencies? Keep track of the steps you take, including

the dates and names of people you contact for information or assistance. Although this guide provides national and state addresses for many organizations, we recommend you **check your phone book for local, county, and state agencies that know what help is available in your area.** When writing a letter to request information, be clear. Keep your letter short, to the point, and write legibly. Include the following information:

- Your name, social security number and contact information
- A brief statement about your current situation
- Your specific request
- What you have done so far (Example: I have written to X organization and they suggested I contact you)

When contacting an agency for help by mail, email, or phone. It pays to be persistent but polite. Ask questions if information is not clear to you. Remember that many organizations are staffed by volunteers who are eager to help but may not have the answers you are looking for. **If someone cannot help you, ask about who can.**

The Internet can also be helpful to find information about VA benefits and community resources in your area. This guide includes web addresses, when available. After release, if computer access is not available you can visit the public library or Workforce and Workforce.

## **SECTION II**

### **HELP FOR VETERANS**

This section includes resources that can help you get back on your feet. Remember to check the phone book for local, county, and state agencies that know what services are available in the area to assist you. Some organizations may have waiting lists, require an interview, or have specific rules about whom they serve. **It is best if you start asking about services and requirements now,** so that you will be prepared when you are released. You can ask that your name be placed on a waiting list VA clinic or hospital appointment when you get closer to your release date. Unfortunately, inmates cannot parole to VA programs.

The Veterans Crisis Line connects Veterans in crisis and their families and friends with qualified, caring Department of Veterans Affairs responders through a confidential toll-free hotline, online chat, or text. Veterans and their loved ones can call **1-800-273-8255** and **Press 1**, chat online, or send a text message to **838255** to receive confidential support 24 hours a day, 7 days a week, 365 days a year. Support for deaf and hard of hearing individuals is available.

In order to ensure veterans and their families have easy access to state-wide resources; TexVet developed a [Veteran Services Provider Network \(VSPN\)](#) in which information is gathered and disseminated. This comprehensive network allows veterans and their families to save time and effort when searching for services.

3950 North A.W. Grimes Blvd. Round Rock, TX 78665 512-341-4924

The Military Veteran Peer Network (MVPN) connects veterans and their families to local, state and national resources through and active group of veteran peers. The MVPN mission is to establish camaraderie and trust with each other, identifying and vetting community resources and, collectively, contributing to the communities where we live.

## WHERE TO START

Check the local phone book yellow pages under "Homeless" or "Social Service Organizations" for a list of many local organizations that offer different services, which may include clothing, public transportation tokens, emergency shelter, and more. You may need to contact several agencies to find all the services you need. Services provided by government agencies are listed in the blue pages found near the front of the phone book. Check with your local Public Assistance Office to find out what programs are available and what their guidelines are. We have included some guidance below, but your local organizations are your best resources. **Remember, it never hurts to ask!**

The Department of Veterans Affairs, the Department of Health and Human Services (HHS), and the Department of Housing and Urban Development (HUD) have developed a working definition of chronic homelessness: "an unaccompanied adult homeless individual with a disabling condition who has either been continuously homeless for a year or more or has had at least four episodes of homelessness in the past three years." This definition is significant because it focuses national attention on those with the greatest needs.

Every **VA Medical Center** has a **Health Care for Homeless Veterans (HCHV) Coordinator** who is responsible for helping homeless Veterans access VA to end homelessness among Veterans. The HCHV program provides outreach, clinical assessments and referrals for medical and mental health care, temporary and permanent housing, case management and employment assistance. Call 1-877-222-8387 or go to <http://www.va.gov/HOMELESS/index.asp>

The Department of Veterans Affairs (VA) has founded a National Call Center for Homeless Veterans hotline to ensure that homeless Veterans or Veterans at-risk for homelessness have free, 24/7 access to trained counselors. National Call Center 877-4AID-VET (877-424-3838) or go <http://www.va.gov/HOMELESS/NationalCallCenter.asp>

**The Department of Veterans Affairs** provides assistance with Veterans benefits and entitlements information, VA claims process, representation and advocacy, Trauma (PTSD) counseling, Veterans in need of nursing care, and employment assistance. Call 877-222-8387 or go to <http://www2.va.gov/directory/guide/home.asp> to find the medical center nearest you. Call 800-827-1000 for the nearest VA benefits office.

**The Health Care for Reentry Veterans Program** (HCRV) operates in all 50 states under the U.S. Department of Veterans Affairs Health Care Administration. The program serves Veterans incarcerated in State and Federal Bureau of Prisons correctional facilities. The State of Texas has several Reentry Specialists who coordinates services within his/her respective Network, as well as with other Reentry Specialists across the nation. In Texas, the Reentry Specialists work in partnership with the Texas Department of Criminal Justice, the Federal Bureau of Prisons, Parole/Probation, and community partners to provide reentry-planning services to eligible Veterans incarcerated. **Veterans cannot parole to the HCRV or other programs.**

The maximum tax credit ranges from \$2,400 to \$9,600, depending on the employee hired. Contact: Texas Workforce Commission 101 East 15th Street, Room 202-T Austin, TX 78778-1442 512-305-9602 or 800-695-6879(WOTC info)

Bond coverage is provided for any person whose background usually leads employers to question their honesty and deny them a job. The bond is given to the employer free-of-charge, and serves as an incentive to the company to hire a job applicant who is an ex-offender or has some other "risk" factor in their personal background. The employer is then able to get the worker's skills without taking any risk of worker dishonesty on the job.

It insures the employer for any type of stealing by theft, forgery, larceny or embezzlement. It does not cover liability due to poor workmanship, job injuries or work accidents. It is not a bail bond or court bond for the legal system. It is not a contract bond, performance bond or license bond sometimes needed to be self-employed. A total of \$5,000 bond coverage is usually issued, with NO DEDUCTIBLE amount of liability for the employer. Larger bond amounts can be issued.

### **Individuals Seeking Bonding**

**ELIGIBILITY FOR VA BENEFITS DURING INCARCERATION**

Veterans incarcerated and incarcerated dependents may apply for the same compensation, dependency and indemnity compensation (DIC) – service connected death benefits – and pension benefits the same as Veterans who are not incarcerated. However, Congress restricts the amount of benefits that may be paid to a Veteran or dependent while he or she is incarcerated. These benefits are institutionalized as part of law: *38 U.S.C Sec 5313 (a), 38 C.F.R., Sec. 3.665 (a), (d)*, which reads as follows:

***If a Veteran is incarcerated as the result of a "felony" conviction as defined by law: "Any offense punishable by death or imprisonment for a term exceeding one year, unless specifically categorized as a misdemeanor under the law of the prosecuting jurisdiction."***

***Then, the amount paid to a Veteran incarcerated for a service-connected disability is generally limited by law to the 10 percent disability rate or half the amount of the ten percent rate if the Veteran's disability rating is 10 percent. (If the Veteran is rated before incarceration as 20 percent disabled or higher, he will receive only the amount payable to a 10 percent disabled Veteran.) Incarcerated DIC recipients will receive one-half the amount paid to a Veteran receiving compensation payments for a 10 percent-rated disability.***

***A Veteran may not receive non-service connected VA pension benefits, or any portion of these benefits, while incarcerated for a felony or misdemeanor. However, his family may receive an apportionment of such benefits under the procedure described above. (1505 38 C.F.R. Sec.3.666)***

One important requirement for eligibility for VA benefits is that the Veteran has to have been issued either an honorable or a general discharge, or would have received one if not for re-enlisting. If a Veteran had two periods of service, one honorable and the other less than honorable, he may still be eligible for VA benefits based on the honorable period of service.

*VA Medical Care cannot be provided to Veterans in prison, but VA health facilities may provide care to you after your release. Contact 1-877-222-8387 to find the medical center or clinic nearest you.*

## **BENEFITS PAYMENTS WHILE INCARCERATED**

There is a 60-day "grace period" following a conviction when you may still receive full benefits. To avoid an overpayment, it is important that you notify the VA Regional Office (VARO) immediately when you go to prison if you are receiving payments. If you do not notify the VA and receive overpayment, you and your family will lose all financial payments until the debt is paid. The VA considers it to be the Veteran's responsibility and fault if this occurs because the Veteran failed to notify the VA of his or her incarceration. Attempts to obtain a waiver in these situations of overpayment are often unsuccessful.

*For example: Joe is a Veteran who receives a VA pension. He commits a crime, is convicted and incarcerated, but does not tell the VA right away and keeps getting paid for 6 months. After serving his sentence of 18 months, he is released, and applies to the VA to have his pension*

*reinstated. He will have an overpayment that must be recovered from the reinstated benefits. Until the overpayment is recovered, Joe will have to go without that income.*

Your award for compensation or pension benefits should resume from the date you are released, as long as the VA receives notice of release within one year. Form 21-4193, Notice to Department of Veterans Affairs of Veteran or Beneficiary Incarcerated in Penal Institution, available through your counselors should be completed before release, signed by a prison official and submitted to VA Benefits Administration.

## **APPORTIONMENT**

Legally, a Veteran can only receive a portion of the full amount payable for his or her disability rating while incarcerated, but the remaining balance may be "apportioned to the individual's dependent family". This means your dependant family members (spouse, children, or dependent parents) may be able to receive part of your benefits while you are incarcerated. VA regulations clearly specify an apportionment amount will only go to family members if they can show financial need.

To apply for apportionment, you must send a letter to the VA Regional Office (VARO) that identifies yourself as the Veteran and your spouse, children and/or parent as dependents. Also, you will need to fill out VA Form 21-0788 <http://www.vba.va.gov/pubs/forms/VBA-21-0788-ARE.pdf> and forward to your nearest regional office. In deciding whether any apportionment is appropriate, the amount of the apportionment, and to whom it will go, the following factors are considered:

- The family member's income and living expenses;
- The amount of compensation available to be apportioned;
- The needs and living expenses of other family members; and
- Special needs of any of the family members.

*For example: Tom is rated as 80 percent disability (80% service connected). While incarcerated he can only receive the amount he would get if he was 10 percent disabled (10% service connected). However, his family may be apportioned up to 70 percent, the difference of the 80 percent rating. (80% service connected minus 10% service connected = 70% service connected. The 70% goes to Tom's family.)*

There is a 60-day "grace period" following conviction where the Veteran or dependent family members (also called Dependency or Indemnity Compensation (DIC) recipients) may still receive full benefits. If the Veteran continues to receive benefits after the 60-day period, it will result in an overpayment. The VA considers it to be the Veteran's responsibility and fault if this occurs because the Veteran failed to notify the VA of his or her incarceration. Attempts to obtain a waiver in these situations of overpayment are often unsuccessful. As a rule, the Veteran loses most, if not all, financial benefits until the VA recovers the entire overpayment. It has also been a standard procedure that the family will not be entitled to receive an apportionment until the debt is completely recovered.

It is important to remember that most VA decisions, including those on apportionment, can be appealed to the Board of Veterans Appeals and, if need be, to the Court of Appeal for Veterans Affairs.

### **RE-STARTING BENEFITS AT RELEASE**

The VA Regional Office (VARO) needs formal notification from the prison of your release in order to re-start benefits. Take your prison release papers in person to the VARO, benefits counselor at the VA Hospital or clinic, or Veterans County Service Officer. The sooner that documentation is provided to the VARO, the sooner the VARO can begin to process your request. Your award for compensation or pension benefits should resume from the date you are released, as long as the VA receives notice of your release within one year.

**30 Day Head Start** Thirty days before you release from incarceration you can complete Form 21-4193 (Notice to Department of Veterans Affairs of Veteran or Beneficiary Incarcerated in Penal Institution) have it signed by a prison official, and submit to the VA Regional Office. Add a short letter asking for this option and *write **According to the Department of Veterans Affairs Benefits Administration's Veterans Benefits Manual M21-1MR, Part III Subpart v, Chapter 8 dated March 26, 2009, a veteran can have restoration of the full benefits made prospectively if notification of release from incarceration is received from an official source within 30 days before the date of release from incarceration.***
